

Hi there!

Instead of completing this paper registration form, please

REGISTER ONLINE AT
www.mathcounts.org/compreg

It's way better (seriously). Here's why:

- 1** **Every form of payment** is accepted online! **Credit card?** Easy and secure via Stripe. **Purchase Order?** Just tell us the P.O. number. **Check?** Just tell us the check's in the mail.
- 2** **You get instant access** to online coach resources (woohoo! everyone likes that)!
- 3** **You get your shipped materials faster**...no waiting for us to process your form manually.
- 4** **You know your info is accurate.** We do our best, but it's always better for your name, email, address, etc. to be entered into our system by you.
- 5** **It makes us happy.** 😊 We're a 10-person staff, so when you enter your registration online, it means we can spend more time on things like improving our free resources, writing competitions and supporting our volunteers.

Thank you!
