Genevieve Esmende	Ming-Hsin Hsieh	Annette Lynch	Gaylon Pinc	

"MATHCOUNTS had a major impact on my life. Not only did it encourage me to pursue mathematics, it also gave me the opportunity to find a community of people who also enjoy math. It gave me a challenge that I was sometimes lacking in my math classes...As a shy kid who struggled to find her place, being given a place where I could challenge myself and find people like me was greatly appreciated."

-Sarah R., MATHCOUNTS alumna
