

THE NATIONAL MATHCLUB

A completely free extracurricular program that gives high-quality resources to educators and makes math fun, interactive and collaborative for grades 6-8 students at all levels of skill development in math.

GRADES 6-8. All MATHCOUNTS programs are for middle school students.

SCHOOLS & NON-SCHOOL GROUPS. Middle schools, plus extracurricular groups like Girl Scouts and Boys & Girls Clubs can join.

FREE. Clubs receive a free mailed kit of stickers, a poster and an activity guide, plus online access to 50+ math activities.

YEAR-ROUND. Registration opens in the fall, but clubs can join at any time during the school year.
