

# Submitting Chapter Competitor Information to the MATHCOUNTS website

1. Visit <https://www.mathcounts.org/user/login> and log in to your coach account.
2. Click the Coach Dashboard link at the top of the web page or go to <https://www.mathcounts.org/coaches>

3. On the Coach Dashboard you will find a listing of all the schools you have registered.

In the example at right, the coach has registered one team and four individuals at David Test School. To add competitor information for a school, click the Add Student Name to Roster button.

*Please note there are separate sections for adding students competing as individuals and members of the school's official team.*

**Team Roster**

You can provide the names and demographic information for the students who will be on your school's team at the local Chapter Competition.

**Please note: A school may register one team of four and/or up to six individuals for a total of ten participants. Members of a school team will participate in the individual and team rounds of the competition. Individuals are only eligible to participate in the individual rounds of the competition and will not participate in the team round. You should not have the same students listed on both the team and individual rosters.**

No Team students are registered yet.

**ADD STUDENT NAME TO ROSTER**

You have reached your team limit. No more team registrations may be purchased.

**Roster of Individual Students**

No individual students are registered yet.

**ADD STUDENT NAME TO ROSTER**

4. Input the student information and click the Save button.

Only a student's first and last name are required, but if known you should specify the student's gender (Male or Female), grade level (6-8) and race/ethnicity category.
