

2020-2021 VIDEO SUBMISSION CHECKLIST

TEAM ADVISOR: Please give this Video Submission Checklist to your team to complete and return to you. As the team advisor, you will be required to provide the information included on this form when you upload and approve your students' video(s).

PARTICIPANTS: You are responsible for ensuring (1) your video was created entirely by your group, without any unapproved outside help and (2) all outside content (e.g. music, sounds, videos, images) is eligible for use in the Math Video Challenge. Please complete this form and submit it to your team advisor, who will be required to confirm and provide this information upon submitting your video in the Math Video Challenge. Learn more in the Technical Guidelines, Outside Help Guidelines and Copyrighted Materials Guidelines at www.mathcounts.org/mvcteams.
